“ I shared a special bond with Uncle Lundy. He always told me that I favored my grandmother, who I was very close to. She would tell me endless stories of my father and Uncle Lundy as boys on the farm. Your with Dad, Nanny, and Grandpa now. Love you!

“ Charlie will be missed as he always had a smile for you and never complained about his poor health . He did so many things in Centenary . I will always cherrish our furniture that he refinished and when we asked what we owed him he would say nothing just make a donation to something at Centenary .
