“ Dear Brad & Kenny,

We just did find out that your mother passed away and it is the 11th of January. We are heartsick that we never got to support you by going to the viewing and the funeral. Our neighbor told us the obituary was in the Daily Times, but we do not get that paper. We receive the Journal, and if it was in the Journal, we missed it. All of you are in our thoughts and our prayers.

“ Deepest sympathy to your family. I will miss Miss Doris and her wonderful sense of humor. I had the pleasure of her company on several occasions with Mom. Sorry I will not be able to attend the service as I will be at work - you will be in my thoughts and prayers.
