“ I am so sorry to hear of Miss Katherine's passing. I have known her since I was just a little kid. She would take care of me every Wednesday morning after the unofficial secretary's breakfast at the Dutch Inn until it was time to go to class at the middle school. Such a sweet, loving lady. She will be missed. Prayers to the Henry family.

“ My condolences go to Steve, Doug, and their families. Even though I did not know your loved one, she must have been a special lady because of the comments that people have left about her. I truly will be praying for your family. Just remember that earth has no sorrow that heaven cannot heal. In a time such as this just keep yourselves surrounded with loving family and keep the word of God on your hearts.
