“ We had the pleasure of meeting Patty many times and had heard many stories she had to tell. She seem very kind, sweet and friendly each time. She will greatly be missed, but now she can do things in heaven that she couldn't do here on earth. she can walk again, cook again, and be with her forever love Homer. She will be her families guardian angel and she will watch over each and everyone of them.Until we meet again. Rest in peace Patty!

“ Patty always had plenty of food and welcomed all to her table and if you ever left hungry it was your own faught. Don't be shy because if you were and she fixed your plate you had enough for days. Always made sure others ate before her. Had plenty of love and never met a stranger. Her meals were ham and hamburger as Pop would say. You are missed by many and forgotten by none. I hope we made you proud and you felt all the love in your final days. A part of all of your family had gone with you but we know that you are in Heaven with Pop and all the other loved ones. Rest easy until we meet again.
